Temple Dog Park

"Where Paws Run Wild"

Project Objectives

- To create a fenced-in, off-leash dog park where well behaved canine citizens can exercise in a clean, safe environment without endangering or annoying people, property or wildlife.
- To develop a beautiful and well-maintained space open to dog lovers and friends who are willing to uphold the park's rules and regulations.
- To view the park as a community project in partnership with the City of Temple, designed to satisfy the needs of dog owners and non-dog owners alike.
- To promote education, training and recreational activities that facilitate responsible dog ownership and well behaved dogs through the support of the community.

Community Impacts

- Adds to the livability and improved amenities in Temple;
- Fosters social interaction between diverse groups of people;
- Pet owners are less likely to illegally allow their dogs to be off-leash in neighborhoods and other park areas; and
- Well-exercised dogs are much quieter and less destructive neighbors.

Why donate? Donations will make the park a reality and help improve the area amenities. Building the park is costly, and we welcome and appreciate your financial support.

Your donation is tax deductible!
