

## **Old Veteran's Café**

120 south 1<sup>st</sup> Street

Built in 1881, this building was owned by the Buranelli family and operated as Buranelli's Confectionery. The Buranelli children became famous on several levels. Vincent, one of the family's sons, was a designer and builder of airplanes and was a pioneer in the development of multi-engine transports. Prosper, another son, became a famous script writer for Lowell Thomas. More recently in the building's history, it was the Veteran's Cafe.
